### P.S. 133 Curriculum Overview

#### **Pre-k for All Units of Study:**

- The development of inquiry and critical thinking is a consistent thread throughout all 10 Units. Each unit lasts approximately one month.
- Units provide opportunities for content exploration and skill-building that are aligned with the NYCDOE Kindergarten Social Studies and Science Scope and Sequence.
- Units assist teaching teams in nurturing inquiry, language and problem solving skills through their organization of the classroom environment, interactions with students, use of purposeful play, incorporation of books, other texts, new vocabulary, and family engagement practices. <https://infohub.nyced.org/docs/default-source/default-document-library/pre-k-units-of-study-scope-and-sequence.pdf>

**K-5 Teachers College Reading and Writing Project:** The mission of the Teachers College Reading and Writing Project is to help young people become avid and skilled readers, writers, and inquirers. The organization has developed state-of-the-art tools and methods for teaching reading and writing, for using performance assessments and learning progressions to accelerate progress, and for literacy-rich content-area instruction. <https://www.google.com/search?q=teachers+college+reading+and+writing+project&aq=teachers+college&aq=chrome.3.69157j46l2j0l5.5133j1j15&sourceid=chrome&ie=UTF-8&safe=active&ssui=on#> Please see scope and sequence on website.

**K-5 Go Math:** Math instruction is always evolving, with new approaches to pedagogy, engagement, and technology. *GO Math!* meets students and teachers on their math journey, raising student achievement scores and supports the Math inquiry work our school continues to enhance and grow. **K-5 Amplify Science** is our elementary science curriculum that provides teachers with the tools and practices necessary to meet the expectations of the NYSED P-12 Science Learning Standards. The program also aligns to the new NYCDOE PK-8 Science Scope & Sequence. **Amplify Science** is a comprehensive science program that was developed specifically to support the Next Generation Science Standards. Each unit of **Amplify Science** asks students to take on the role of a scientist or engineer in order to investigate 21st-century scientific or engineering problems, engaging them in real-world applications and problem-based deep dives. **K-5 NYCDOE K-8: Passport to Social Studies** program is a comprehensive instructional resource that the New York State K-8 Social Studies Framework to support strong social studies teaching and learning. The study of history, geography, economics, government and civics is the study of humanity, of people and events that have individually and collectively shaped our nation and the world. A strong and effective social studies program helps students make sense of the world in which they live, allows them to make connections between major ideas and their own lives, and it helps them see themselves as active members of a global community. <https://www.google.com/search?q=passport+to+social+studies+scope+and+sequence&aq=passport+to+social+studies+sc&aq=chrome.0.0j69i57.8195j1j15&sourceid=chrome&ie=UTF-8&safe=active&ssui=on#>
