

Fourth Grade News

Instruction

- This month we will begin our unit on fractions. Chapter 6 will focus on equivalent fractions and comparing and ordering fractions. Chapter 7 focuses on adding and subtracting fractions with common denominators. Students will be encouraged to use hands-on materials such as fraction tiles or strips to help visualize the fractional amounts. Remote students will have access to various virtual fraction tools.
- Our reading unit this month will continue to focus on drawing evidence from historical and informational texts to support ideas and conduct research.
- Our writing unit focuses on informational writing about historical topics from the American Revolution.
- Our Social Studies unit will continue to focus on researching and learning about the American Revolution.
- This month we will be finishing up our Vision and Light Unit. We will be leaving the Tokay geckos in the Philippines and begin The Earth's Features Unit which will focus on geology. We will learn about how Earth can change over long periods of time.

Coming Up

- **Parent-Teacher conferences** will be held on Wednesday March 3rd in the evening from 4:30-7:00 pm and Thursday March 4th in the afternoon from 1:00-3:00 pm.
- Appointments will be made on Calendly.
