Dear Parents and/or Guardians of 5th Grade Students,

10/12/22

My name is Francine Tapp, and I am the school counselor at P.S. 133. I am here to help guide you through the middle school admissions process for your child. The application process opens on Wednesday, October 26th. This means that you can fill out the middle school application as of October 26th. The deadline (the last day you can fill out the middle school application) is Thursday, December 1st.

The first thing I recommend you do is to sign up for our middle school admissions email list at schools.nyc.gov/SignUp. You will receive updates throughout the process. Also, check schools.nyc.gov/Middle to get the most up-to-date information on this year's application timeline and admission events.

I will be having four middle school admissions workshops where I review the entire process and how it works before the application deadline on December 1st. I will also answer any questions you may have in reference to the process.

In the meantime, please use [Myschools.nyc](https://myschools.nyc) to identify the programs your child is eligible to attend. Find out your child's home school district and their zoned middle school by entering your address at schoolsearch.schools.nyc.

The dates of the upcoming middle school admissions workshops that I will have to review the middle school application process will be on:

Tuesday, October 18th from 2:20-3:20 pm (in library)

Thursday, October 20th from 11:00am-12:00pm (in library)

Monday, October 24th from 11:00am-12:00pm (virtually: link to follow)

Monday, October 24th from 5:00pm – 6:00pm (virtually: link to follow)

Please note: You are welcome to attend all the middle school workshops, but only have to come to one of them since I will be reviewing the same information in each of them.

If you have any questions or concerns, please call (718)831-4016 and I will be happy to help you.

Sincerely,
Francine Tapp
School counselor
