A School Wellness Council helps connect people in the school community, teach lessons about health and safety, and promote activities that help students and families be active

When will we meet?

Our meetings will be the first Tuesday of every month. We will meet from 7:20-8:00 in the mini gym

Students will be participating in outdoor calming field trips, giving back to the community, getting involved in creating a school garden, making healthy choices, and so much more!
