

Dear Parents and Guardians,

November 2023

In the beginning of the year I asked students for suggestions on how to decorate my new classroom. Many mentioned GIANT musical notes on the walls.

In upper grades we talked about JINGLES (melodies for advertisement). We then created our own P.S. 133 Jingle using rhythm and melody. We had lots of ideas and the students voted for this one. We added words (same creating/ voting process). Kyle James in 4th grade helped me harmonize the melody using his music theory skills.

Joshua So in 5th grade helped make this happen by drawing big notes on chart paper and being the mastermind behind the vision. .

We have 8 different notes in our jingle and each note represents a grade. Then we had every student in grades 1-5 write their names inside the musical note. 3K-K teacher's wrote their names in the musical note.

Mrs. W and her art club helped color the notes to represent our RAINBOW of HOPE colors on the ribbons outside and the helped cut out the notes.

Mrs. Lamont and I hung it on my wall.

This is our COMMUNITY!

If you have not done so already, Please join my Google Classroom:
